

Waukegan Regional Airport

Owned and Operated by the Waukegan Port District

AIRPORT USE SURVEY: Waukegan Regional Airport (UGN)

The Waukegan Regional Airport, owned and operated by the Waukegan Port District, will be seeking the assistance of the FAA and the Illinois Department of Transportation, Division of Aeronautics for the improvement of the Airport, in particular Runway 5-23. In addition to providing important runway safety areas at each end, it is intended that the runway be lengthened to 7,000 feet to more efficiently accommodate larger corporate aircraft. So that we may assess the needs of our users, we request that you, or a qualified representative, please complete the following questionnaire. Information from the completed surveys will be compiled in a summary and individual responses will not be reported in any manner.

When finished, please return this survey by **August 11, 2010** to the following address:

Hanson Professional Services Inc.

Attn: Mr. Stephen McLaughlin

2015 Spring Road, Suite 350
