Northern Illinois Airshow Takes-Off with Thunderous Success!

The Northern Illinois Airshow took to the skies with a roar, wowing crowds with high-flying stunts, aerial acrobatics, and heart-stopping maneuvers. The event was a huge success, drawing 20,000 aviation enthusiasts to an amazing display of skill and precision, as pilots pushed their planes to the limit. A variety of exhibitors, food vendors, and cheering crowds filled the airport along with countless volunteers creating an awesome atmosphere that left everyone breathless. We seek leadership volunteers for future airshows. Contact Skip Goss sgoss@waukeganport.com if you want to help keep the show going for years to come.
