### Construction Updates

After a turbulent start, work is smoothly cruising along on both Taxi Lane 3 and the East Ramp.

South Hangar Pavement Rehabilitation Phase I project is on final approach and paving will be completed next week.

The East Ramp project excursion is back on course and concrete will start landing next week. The project is expected to be completed by Thanksgiving.

---

### Perimeter Roads

Please be advised the gravel perimeter roads are strictly for airport maintenance and emergency vehicles ONLY. They are not to be used for convenience. Recent incidents involving unauthorized vehicles have compromised airport safety and security.
