January 2015 - Volume 1

PHASE 2 FENCE

The fence project for the removal and replacement of perimeter fencing/gates, from Lewis Avenue to Aviation drive is progressing nicely. All 612 fence post are installed, all gates are installed including the black vinyl fencing in front of Baxter. Out of the 6116 feet of fence total for the project, only 15% remains to be installed. Barbed wire installation has also begun.

PHASE 3 FENCE

A pre-construction meeting was held on January 14, 2015 for the next phase in the perimeter fencing. This phase will be along both sides of McAree south entrance road including the west parking area. 14 vehicle and pedestrian gates will be installed in this area. Another portion of fence in the landfill area will also be removed and replaced. Start of Phase 3 should begin this spring.

NEW DOOR

AbbVie's new hangar door is almost completed to accommodate larger winged aircraft. The "door" is made out of fabric and rolls up out of the way in four sections for entry.
